

Craggy Pinnacle

Trail Rehabilitation

SAT, OCT 14

Join Carolina Mountain Club as we restore this trail to a great overlook. We'll be out rehabbing the trail and making new friends. No experience necessary, experienced CMC trail crews will be on site to supervise and train.

*You do not have to be a CMC member to come on these work days. We will have release forms you can fill out before we start work. **If you are under 18, you must have a parent or guardian with you.***

Please wear sturdy boots, long pants, bring work gloves, lunch, and plenty of water. We will provide tools, hard hats if you need one, and expert guidance.

Meet at 8:15 AM at the Folk Art Center parking lot off the BRP to carpool, or at the Craggy Pinnacle parking lot on the Parkway at 8:45 AM. Please carpool if you can, parking is limited.

We will return to Folk Art Center by 3:00 PM

Please contact Les Love at: lesrlove55@gmail.com with questions.
